# Unit 1: Political Geography of Western Hemisphere Nations

## D. Central American Countries and Capitals

Using **Map 4** and an **atlas**, complete the following about the Central American countries. Place the number by the correct country.

- |               |                |              |           |           |
|---------------|----------------|--------------|-----------|-----------|
| 1. Costa Rica | 2. Honduras    | 3. Mexico    | 4. Belize | 5. Panama |
| 6. Nicaragua  | 7. El Salvador | 8. Guatemala |           |           |

A dot on **Map 4** locates the capital of each Central American country. Place the letter of the capital city next to the corresponding dot on the map.

- |            |              |                 |                |
|------------|--------------|-----------------|----------------|
| a. Panamá  | b. Belmopan  | c. San Salvador | d. Mexico City |
| e. Managua | f. Guatemala | g. Tegucigalpa  | h. San José    |

**MAP 4**

## D. Central American Countries and Capitals—Pretest Practice

Use the above capital cities to complete the following.

- The capital of Belize is \_\_\_\_\_.
- The capital of Costa Rica is \_\_\_\_\_.
- The capital of Panama is \_\_\_\_\_.
- The capital of Honduras is \_\_\_\_\_.
- The capital of Nicaragua is \_\_\_\_\_.
- The capital of Mexico is \_\_\_\_\_.
- The capital of El Salvador is \_\_\_\_\_.
- The capital of Guatemala is \_\_\_\_\_.
